Short Department Sign for the Soup Area (Iconic)

Are you tired of watching your customers struggle to find things in your store, Our Short Department Sign for the Soup Area is the perfect solution!

- Available in single and double-sided options and large or small sizes along with hanging and case mounting, our department sign is designed to fit any space.
- If you have a low-ceiling condition environment, this department sign is ideal for you. And with the option to choose a single or double-sided sign, you can ensure that your message is seen from every angle.
- With its six-millimeter PVC core and printed color, this sign is built to last.
- What really makes our department sign stand out is its unique design. The white overlay features printed icons and cut-out text that reveal the color beneath, creating a sleek and modern look.
- The text clearly reads "Soup," making it easy for customers to find what they're looking for.
- For the single-sided version of the sign, the back of the sign is unfinished white PVC.
- Both sides have the same text cutouts and icons for the double-sided version of the sign.
- The large version of the sign measures 95.5 inches long by 18 inches tall and weighs 13.27 lbs.
- The small version of the sign measures 47.5 inches long by 8 inches tall and weighs 4.21 lbs.

So don't let your customers get lost in your store any longer. Order our Short Department Sign for the Soup Area from the Iconic Collection today and see the difference it can make!
